

Introducing
Kenyon College

A walkable retreat at “America’s most beautiful college campus”
(*Forbes* magazine, 2012) in Gambier, Ohio

High-tech capability on a fully wireless campus featuring 42 smart classrooms equipped with full A/V ...

... HD-capable auditoriums ...

... and a new \$20 million studio art building with digital editing classrooms, sound studio, and more.

Newly constructed, air-conditioned apartments with full kitchens, living rooms, and a 220-bed capacity.

The full-service, 35-room Kenyon Inn: A New England-style country inn experience with fine dining and bar ...

A rectangular sign with a black border and a white background, hanging from a metal arm. The sign features the text "WIGGIN STREET COFFEE" in a dark blue, serif font, stacked vertically. To the right of the text is a dark blue logo consisting of three stylized leaves or coffee beans arranged in a fan shape, with a diagonal slash through them.

WIGGIN
STREET
COFFEE

... complemented by a charming village with its own coffee shop, pub, bookstore, grocery, and deli.

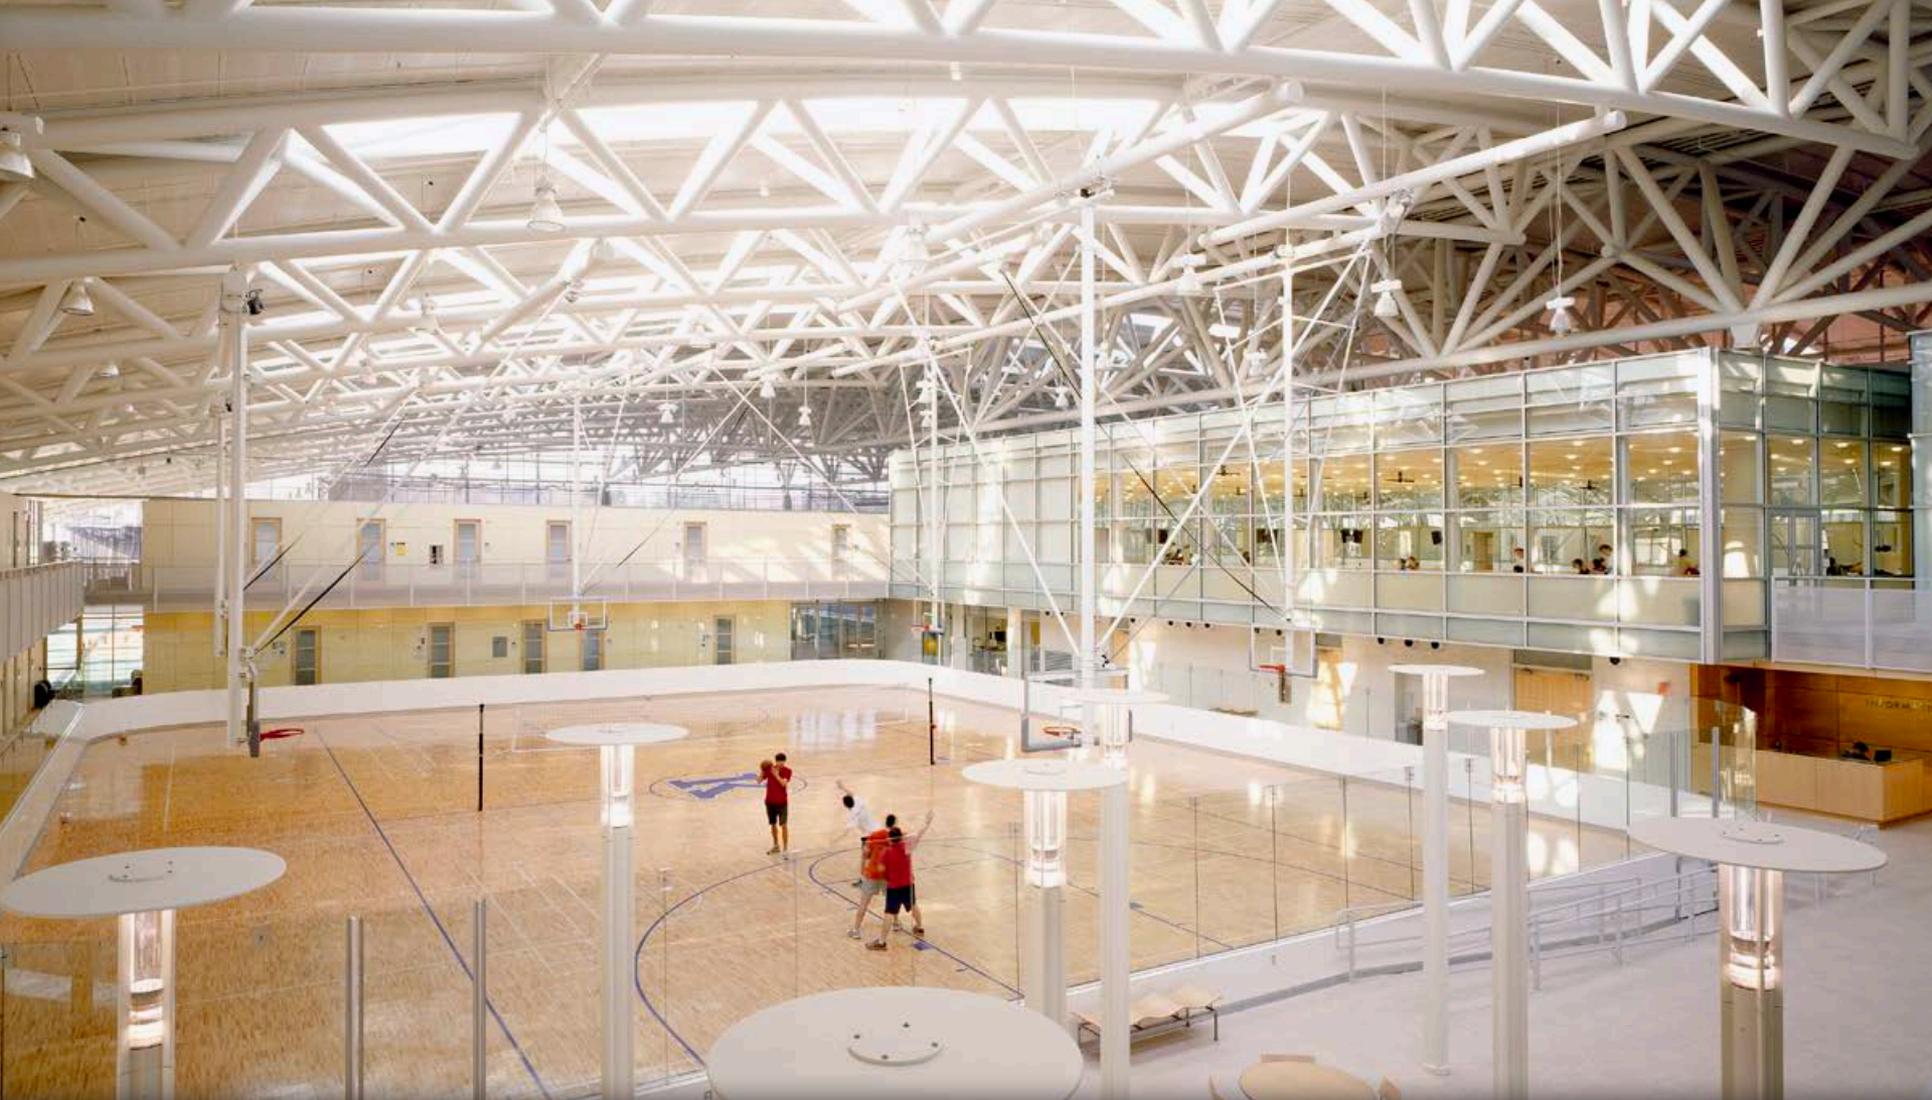

Farm-to-table meals in a new dining facility with private dining rooms and a pub ...

... and magnificent, historic dining spaces.

A 268,000-square-foot athletic center and fourteen miles of hiking and cycling trails offer unparalleled fitness options.

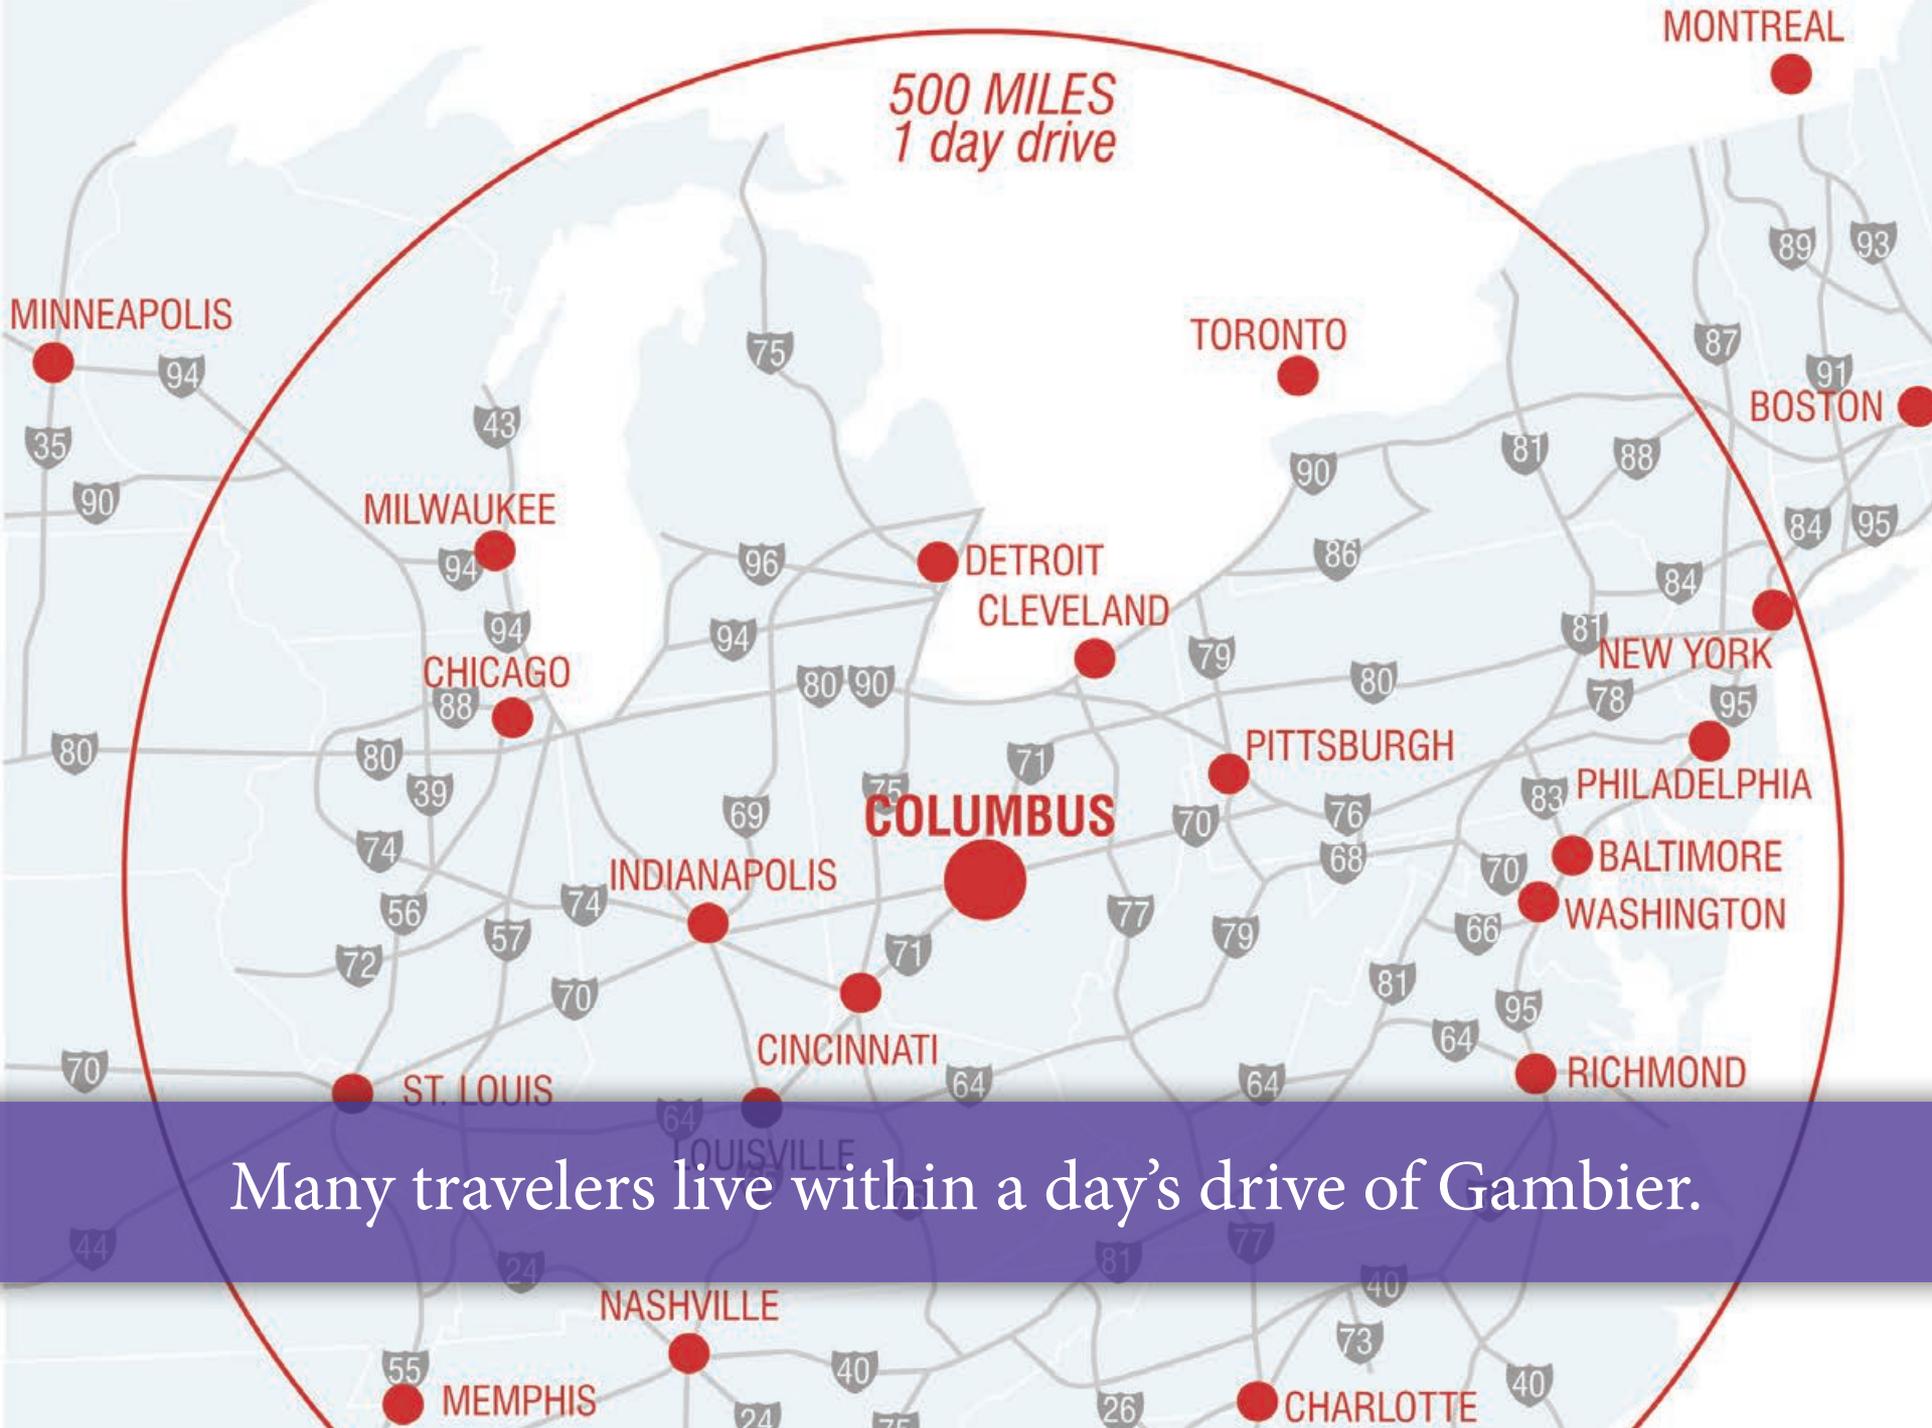

Full-service conference support, including registration, shuttle service from Columbus airport (under one hour away), and private event catering.

A relaxed campus welcoming conversation and collaboration.

Columbus, Ohio, can be reached by direct flights from many major airports.

500 MILES
1 day drive

Many travelers live within a day's drive of Gambier.

Join the portfolio of clients whose groups constitute a community of nationally renowned summer programs.
